I asked the silver one on one  
Tell me who I am  
Lines on your finger  
Says you wouldn't understand

I asked the silver one on one  
Tell me what's the score  
Lies on your picture  
Says you wouldn't need much more  
In the meadow

I asked oblivion just for fun  
Tell me what to say  
Climb up the mountain boy  
And look the other way

I asked a million questions  
Of the world I want to be  
And the signs I remember  
Who's the one they got to me

In the meadow  
Looking for life in the world  
Everything is fine

In the meadow  
Ceilings so high  
Life might be listening  
So we better take our time

We asked a wonder one on one  
Please tell me what to be  
Call down the miracles  
And save yourself for me

We asked a river one on one  
Please tell me what you see  
I see forever  
And it looks like you and me

In the meadow  
Looking for life in the world

Everything is fine

In the meadow  
Ceilings so high  
Life might be listening  
So we better take our time

In the meadow  
Looking for life in the world  
In the meadow  
Everything is fine

In the meadow  
Ceilings so high  
Life might be listening  
So we better take our time

In the meadow

In the meadow  
Looking for life  
In the meadow  
Feeling so fine

In the meadow  
Seeming so high  
Life might be listening  
Life might be listening  
So we better take our time

In the meadow
