All of those things that I wanted to say
Well you can take those things and throw them all
away- hey hey
Because he who points the finger well only he gets
hung
That's why I don't to be a messiah, messiahs die young
All of those things that I wanted to be
Well you can take those things and throw them back at
me- he he
Because he is only just as good as he who is the one
That's why I don't to be a messiah, messiahs die young
Messiahs die young.
Messiahs die young!
They die young,
Messiahs die young!
Messiahs die young.
Messiahs die young!
They die young.
Messiahs!
Why get in line if you don't want to wait
They say that time is money-- sell your watch today,
hey hey
And if you've never been to China well the slow boat
leaves at one
That's why I don't want to be a messiah, messiahs die
I don't want to be a messiah, messiahs die
I don't want to be a messiah! I just want to have fun
Not die young.
Messiahs die young!
They die young.
Messiahs die young!
Messiahs die young.
Messiahs die young!
Messiahs die young.
Messiahs
