We can dance if we want to
we can leave your friends behind,
cause if friends don't dance and if they don't dance
well they're no friends of mine
I say, we can go where we want to,
a place they will never find,
and we can act like we come from out of this world
leave the real one far behind
We can go where we want to,
the night is young and so am I.
we can dress real neat from our hats to our feet
then surprise 'em with a victory cry
Say, we act if we want to,
and we know nobody will,
and you can act real rude and totally remove
in fact you act like an imbicile

say, we can dance,
we can dance,
everythings under control,
we can dance,
we can dance,
doing it from pole to pole,
we can dance,
we can dance,
everyone look at your hands,
we can dance,
we can dance,
everybody takin the chance-anaaance....
safety dance,
we'll safety dance
yeah it's the safety dance

We can dance if we want to,
we'll leave all your life behind,
as long as we have music,
we're never gonna lose it,
everything'll work out fine.
I say, we can dance if we want to,
we can leave your friends behind,
cause if friends don't dance,

and if they don't dance,
well they're, no friends of mine,

say, we can dance,
we can dance,
everythings under control,
we can dance,
we can dance,
doing it from pole to pole,
we can dance,
we can dance,
everyone look at your hands,
we can dance,
we can dance,
everybody takin the chance-anaaance....
safety dance,
we'll safety dance,
we'll safety dance,
we'll safety dance,
Yes we'll safety dance.
oh it's a safety dance (x9)
