The young one's forever we the Young Ones  
The young ones should never be afraid  
To give what you got  
Even if that you got ain't a whole bleeding lot  
Cos we may not be the young ones very long

For ever we're on the never never  
For ever for ever and a day  
Well who give a damn not me or you uncle Sam  
Cos we may not be the young ones very long

Once in every lifetime come a time like this  
Oh I need you you need me  
Oh my darlings can't you see  
That we may not be the young very long  
The young one's forever we the Young Ones  
The young ones should never be afraid  
To give what you got  
Even if that you got ain't a whole bleeding lot  
Cos we may not be the young ones very long

Come on

So who give a damn not me or you uncle Sam  
Cos we may not be the young ones no we may not be  
the young one's  
No we may not be the young one's very long this is long  
very long  
Very long very long this is long very long very long

Thank you boys
