Is this where you let go??
Is this where you walk away from us?
Away from us...

Is this where I let go?
Is this where I get by on my own now?
On my own!

Am I breaking up?
Is there something wrong here?
Somethings wrong!

Am I breaking up?
Is there something wrong here?
Somethings wrong!

Come on, come on, come on!
Am I the only one!
This could be, so much more
Then this..

Come on, come on, come on!
Am I the only one?
Am I breaking up?
Come on, come on!

Is this where i forget everything you said?
Then I will!
Then I will!

Everytime i look, i try to find myself, I cant!
And I'm taking a bullet!
On my own!
Am I alone now?

Am I breaking up?
Is there something wrong here?
Somethings wrong!

Come on, come on, come on!
Am I the only one?

This could be, so much more!
Then this!

Take my by the hand and ill make it so much more!
Then this!
Then this!
Ohhhh!!!

Everytime i look i try to find myself, i cant!
And I'm taking a bullet!
By myself!
By myself!

Ohhhhh!!
Am i breaking up!?
I'm breaking up!!
