Is this where you let go?
Is this where you walk away from us?
Away from us...

Is this where I let go!
Is this where I get by on my own now!
I'm on my own...
Am I breaking up?
Is there something wrong here?
Somethings wrong!
Am I breaking up?
Is There something wrong here?
Somethings wrong!

Come on, come on, come on!
Am I the only one?
Who knows this could be, so much more than this!
Cannot get by alone!
Am I the only one?
Am I breaking up?
I'm on my own now, on my own.

Is this where I forget everything you said?
Then I will, then I will...
This is where I go I try to find myself again...
Am I dodging a bullet?
Am I on my own now! On my own!

Am I breaking up?
Is there something wrong here?
Somethings wrong!

Cannot get by alone!
Am I the only one?
Who knows...
This could be so much more, then this!

Take me by the hand, and I'll make it so much more!
Ohh! This is where I go I try to find myself again,
Am I taking a bullet?
On my own!
Am I breaking up? Is there something wrong here?

Some things wrong!

Cannot get by alone

Am I the only one!

This could be so much more than it is, then this...

Then this!

This is where I go I try to find myself again...

Am I dodging a bullet?

By myself! By myself!

Ohhhhhh! Am I breaking up! ?

Am I breaking up breaking up!
