You're not sure that you love me  
But you're not sure enough to let me go.  
Baby it aint fair ya know  
To just keep me hangin' round,  
You say you don't wanna hurt me,  
Don't wanna see my tears.  
So why are you still standin' here  
Just watchin' me drown?

And it's all right yeah I'll be fine don't worry bout' this  
heart of mine,  
Just take your love and hit the road,  
There's nothing you can do or say you're gonna break  
my heart anyway,  
So just leave the pieces when you go.

Now you can drag out the heartache,  
Baby you could make it quick,  
Really get it over with  
And just let me move on.

Don't concern yourself  
With this mess you left for me,  
I can clean it up you see  
Just as long as you're gone.

And it's all right yeah I'll be fine don't worry bout' this  
heart of mine  
Just take your love and hit the road,  
There's nothing you can do or say you're gonna break  
my heart anyway  
So just leave the pieces when you go.

You're not makin' up your mind  
It's killin' me and wasting time.  
I need so much more than that.  
Yeah, yeah, yeah, yeah, yeah,

And it's all right yeah I'll be fine don't worry bout' this  
heart of mine  
Just take your love and hit the road,  
There's nothing you can do or say you're gonna break

my heart anyway  
So just leave the pieces when you go.

Leave the pieces when you go, oh yeah,  
Leave the pieces when you go,

Yeah, yeah, yeah, yeah, yeah,  
Yeah, yeah, yeah, yeah, yeah,  
Yeah, yeah, yeah, yeah, yeah,  
Leave the pieces when you go
