You never give up  
I can't believe anything you say  
And it must be my luck  
'cause no-one else gets teated this way

And i wanna know  
What goes on in that head of yours  
Yeah i wanna know  
Cause i don't think i can take much more..

Rain...  
You must be sick or something i can't take another day  
of  
Rain...  
Is falling down  
But will the sun come out again

I never speak up  
I've just try and stay out of the way  
And i must of messed up  
'cause that's all that i hear you say  
And i wanna know  
What on earth makes you act like this  
Yeah i wanna know  
'cause i don't think i can take this shit

Rain..  
You must sick or something 'cause i can't take another  
day of  
Rain..  
Is falling down but will the sun come out again

Sun come out  
Sun come out

Rain  
You must be sick or something i can't take another day  
Rain,  
Is falling down but will the sun come out again

Rain  
You must be sick or something (you must be sick or

something)

Rain

Rain

Rain

Rain

Is falling down but will the sun come out again
