I wanna paint my face and pretend that I am someone else.

Sometimes I get so fed up, I don't even wanna look at myself.

But people have problems that are worse than mine

I don't want you to think I'm complaining all the time.

And I hate the way you look at me I have to say.

I wish that I could start over.

I am slowly falling apart.

I wish you'd take a walk in my shoes for a start

And you might think it's easy being me.

You just stand still look pretty.

Sometimes I find myself shaking in the middle of the night

And then it hits me and I can't even believe this is my life.

But people have problems that are worse than mine

I don't want you to think I'm complaining all the time.

And I wish everyone would just go and shut their mouth.

I'm not strong enough to deal with it.

I am slowly falling apart.

I wish that you would take a walk in my shoes for a start.

You might think it's easy being me.

You just stand still look pretty.

I am slowly falling apart.

I wish that you would take a walk in my shoes for a start.

You might think it's easy being me.

You just stand still look pretty.
