[Chorus]

Where be it Blackbird to?  
I know where he be,  
He be up yon Wurzel tree,  
And I be after he!  
Now I sees he, And he sees I,  
Bugger'd if I don't get 'en  
Wit a girt big stick I'll knock 'im down  
Blackbird, I'll 'ave thee!  
La la la la la la  
La la la la la la  
'Ow's 'E Fadder?  
(Audience Answer) Allright!

All me life I'm on the farm,  
Workin' for me keep  
Tendin' pigs and chickens,  
And they cows and sheep  
And then while I'm workin',  
There's one who always mocks me  
He sittin up 'dere in the trees,  
Blackbird I'll 'ave thee!

Chorus

Underneath the open sky  
In spring we loves to dine.  
We likes to 'ear the flappin'  
Of the missus' washin' line  
We listens to a tuneful song,  
A blackbird or a tit,  
But on me vest and underpants  
He scored a direct hit!

Chorus

If I goes out poachin',  
A creepin' through the fields,  
With me old retriever,  
A followin' at me heels.  
If I aim me shotgun at a pheasant in the hay  
That bloody blackbird starts his row

And frightens him away!

Chorus

No longer can I sleep at night,  
Get peace of any kind,  
That bird'll be the death of me,  
He's prayin' on me mind!  
If I chase him long enough,  
I'll get 'en by and by,  
And celebrate me vict'ry  
Wit a girt big blackbird pie!

Chorus
