Honesty, a misplaced policy, true happiness is hard to find

So i'll put on a smile and go on with my life  
How am i doing? I'm o.k.

Forever is longer than anybody knows  
So never say never again  
Second chances are not guaranteed  
Make sure the first one counts

Another promise made another promise broken  
I can't pretend it doesn't hurt this time

I can't honestly say I've never let anyone down  
Don't hold it against me

A classic tale of boy meets world  
So much left for me to learn  
Will I ever know the true meaning of love

If it takes my whole life I'll make it up to you I swear
