I looked down from the Carillon  
I looked across to the aviary  
How long have they been having fun?

I want to be among them  
Sitting pretty drinking Evian  
I don't think that it will be long

And I will never go down fighting (x4)

I want to do it on the tennis courts  
I want to do it where they are playing sport  
So they can make sport of this man  
Will I find myself traveling?  
Will I find myself in therapy?  
Or leap and just see where I land

And I will never go down fighting (x4)

Well it is cold, cold, cold  
And I think I'm going to die in here  
Considering Loughborough suicide  
Which I'm definitely going to do this year  
And if you take a look out side  
Then the answers to your questions seem quite clear  
That you may as well leave  
Because there's nothing else to do around here

How long have I been inside? (x8)

Well it is cold, cold, cold  
And I think I'm going to die in here  
Considering Loughborough suicide  
Which I'm definitely going to do this year  
And if you take a look out side  
Then the answers to your questions seem quite clear  
That you may as well leave  
Because there's nothing else to do around here (x2)

And I will never go down fighting (x4)
