I want security, yeah
Without it, I'm at a great loss
I am now

Security, yeah
And I want it at any cost
I do

Don't want no money
No, no, no, no, no, no, no, no, no
Don't want no pay
And it's a pity I can't have these
These things, baby, alright

Security, yeah
That's all I want from you
That's right

Security, yeah
A little love that'll be true
Right now

Your sweet lips
You know, they tell me you're the one
Darling, how can I forget you now?
Well, how can I forget?
All right

I want security, yeah
Well I'll tell you once again
Yes, I will now

Security, yeah
And I want it to begin
That's right

Well, I don't want no money
No, no, no, no, no, no, no, no, no
I don't want no pay
And it's a pity I can't have these
These things, baby, alright

Just give me your heart, yeah
Oh, I want your love now
Just say you'll be mine, yeah
Oh, come on now baby
Say you'll be mine now
