Motionless I fall down, from waiting for nothing.
Tired of scream my lungs out, cuz I have given up on
you.
The only thing that I've found.
It's easy. To get when your unconscious.
And I forgot for so many nights in a row.
I miss the way your heartbeats I still feel it beating
If I counted my sleepless nights, I'd be up and
counting. (every night)
But then you said the words. I miss you and I'm so. so
over it.
You know I'm such a sucker for the way you say you're
sorry.
You got my heartbeat racing again, like you wouldn't
believe.

I would take it back in a heartbeat.
I know this. I'm lost without you.
I can't got back. cuz I need to be the one you're saving.
Sunday's best we're never perfect and my regrets
could never surface.
(Tell me) tell me tell me once again...
How I'm the best part of believing.

4 am, it's pointless.
To think I'll be sleeping next to you.
Pills won't hold me back.
The way I'd remember holding on to you.
It's scary to think how I line my walls with lyrics to all
your favorite songs
And how I still wear my heart on my sleeve to see.
Exactly what it's missing. You from me.

I would take it back in a heartbeat.
I know this. I'm lost without you.
I can't got back. cuz I need to be the one you're saving.
Sunday's best we're never perfect and my regrets
could never surface.
(Tell me) tell me tell me once again...
How I'm the best part of believing.

You can catch me on the rooftop

I'll be the one screaming
Your name at the top of my lungs.
It's a certain grave I do everything for you in vain.
I open up and fall right on my face

I would take it back in a heartbeat.
I know this. I'm lost without you.
I can't get back. cuz I need to be the one you're saving.
Sunday's best we're never perfect and my regrets
could never surface.
(Tell me) tell me tell me once again...
How I'm the best part of believing
