

## **The Years Gone By "The Translation"**

Visit "[The Translation](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You need a phrase to describe how you're feeling  
Don't misinterpret your language for emotions  
Your phone is ringing, it's ringing off the hook and  
You'll finally know what it feels like to feel lonely

Don't leave backing out is not an option,  
You'd sell your heart away if there was an auction  
You say you love her  
Say you trust her say you really care  
Say you're a liar  
At least your honesty is there

Woah this kid is a goner  
Woah this kid is a loner  
Say the worst lines  
Say you're alright  
Baby now, come on now, it's all in how it seems  
Say the worst lines  
Let it slide by  
Baby now, come on now, it's all in how it seems to be  
It's all in how it seems to be

Don't be ashamed to describe all your feelings  
Or get caught up in the single greatest moment  
You can't reject something that you have never had  
before  
Give it up, give it up for all the love in your heart

Woah this kid is a goner  
Woah this kid is a loner  
Say the worst lines  
Say you're alright  
Baby now, come on now, it's all in how it seems  
Say the worst lines  
Let it slide by  
Baby now, come on now, it's all in how it seems to be

Woah this kid is a goner  
Woah this kid is a loner  
Woah this kid is a goner  
Woah this kid is a loner

You never wanted to be anything but your own  
You never wanted to breath  
Any air if your not breathing it in deeply.  
You never wanted to be  
Anything but your own

Say the worst lines  
Say you're alright  
Baby now, come on now, it's all in how it seems  
Say the worst lines  
Let it slide by  
Baby now, come on now, it's all in how it seems to be  
It's all in how it seems to be
