Let's hop the next train to the city baby  
Let's buy a penthouse suite in Vegas or L.A. (YEAH)  
They never sleep so why keep wasting our days here?  
Can't stop my feet from running now.

We can make it where everything is fun.  
We're on the border line of being wasted.  
We can make it if I forget to mention. alleged.  
Assumptions we're in the clear.

Let's buy Hawaii, it's only money baby  
Let's buy a penthouse suite in Vegas or L.A. (YEAH)  
They never sleep so why keep wasting our days  
Can't stop my feet from running now.

We can make it where everything is fun.  
We're on the border line of being wasted.  
We can make it if I forget to mention. alleged.  
Assumptions we're in the clear.

Haven't slept in days, cuz we're acting outrageous  
New found love for resting only in my day dreams.

Live life. spend your money. you only get one shot.  
So live it up like it's your last.

We can make it where everything is fun.  
We're on the border line of being wasted.  
If I forget to mention. alleged.  
Assumptions we're in the clear, yeah
