I never liked the rain before.  
It always made me stay inside.  
There's one thing that I know for sure,  
I've got a reason to like it since you took me for a  
rainbow ride.

It's raining, it's pouring, but I don't care no more.  
It's like a yellow balloon.  
Chor On a rainy afternoon.  
And like a yellow balloon...

I never felt this way before,  
It's a feelin that I can't explain.  
There's one thing that I know for sure  
I can tell you're feeling it too  
Cause when I'm walkin with you in the rain...

Chorus

I love you, yes I do.  
And I know, you love me too  
Raindrops fallin on the street  
I don't care, cause when we meet  
I know the sky is gonna get lighter  
The suns gonna shine a little brighter

Chorus
