"Come On Up"

Don't you hear the music, baby?
It's only feel-good (baby)
Let it get to you, baby
Try & let go
You don't have to worry about a thing
Just come on up, come on up
Just come on up, baby & have a good time
Love to watch it happen, baby
When I dance with you (baby)
Love to see the music take you
Right up to the mornin'
You don't have to worry about a thing
Come on up, just come on up
Just come on up, baby & have a good time
Come on now, give it a try!

(Instrumental)

Start it nice & easy, baby
Take it real slow (baby)
Just let it take you, baby
Where you wanna go (baby)
Come on with me, baby
Don't let me go alone (baby)
Keep on pushin', baby
Until we get home (baby)
It's only feel-good
It's only feel-good
You know, I just can't stop
I just can't stop (baby)
... & fade
