Good loving good loving
Good loving good loving
I was feeling so bad
I asked my family doctor just what I had
I said doctor doctor Mister MD
Now can you tell me what's ailing me
He says Yeah Yeah Yeah Yeah Yeah Yeah
Yes indeed
All I really need
Good loving Now gimme that good good loving
Good loving All I need is love
Good loving Good loving baby
Honey please squeeze me tight
Don't you want your baby to be allright
I said baby now it's for sure
I got the fever you got the cure
Everybody yeah yeah yeah yeah yeah yeah
Yes indeed
all I really need
Good loving Gimme gimme gimme that love
Good loving All I need is love
Good loving Good loving baby
Good loving good loving
Good loving good loving
Good loving All I need is love
Good loving All I want is love
Good loving Love in the early morning
Good loving Loving late at night
Good loving Love love love
