Well now you'd better run)

Run when I say, somebody's calling you

You'd better run

Run when I say, (somebody's calling you)

You'd better run

Run when I say, (somebody's calling you)

I feel like my time has long gone

Long gone, (my time is long gone)

Well now goodbye false pretender

Lord I cannot wait for you

For the bible declares you're goin' to heaven Lord

What the bible declares you do

(Well now you'd better run)

Run when I say, somebody's calling you

You'd better run

Run when I say, (somebody's calling you)

You'd better run

Run when I say, (somebody's calling you)

I feel like my time has long gone

Long gone, (my time is long gone)

Long gone

Well I met a false pretender
Whose head was bending Lord
I met him in the evening
He was headed down that long lonesome road
(Well now you'd better run)
Run when I say, somebody's calling you
You'd better run
Run when I say, (somebody's calling you)
You'd better run
Get away from here, somebody's calling you
I feel like my time has long gone
Long gone, (my time is long gone), long gone
