i was so crazy about ya
i beeped you all day just to here you say
someday we would be together
you know you made me have these funny feelings
i guess i just love me a thug
you know how to push me down, and take it from me

show me that real type of love

(master p-rapping)

uhhhhhhhh

these feelings i have for you

is hard to explain to u

i'd do anything for you

girl i'd die for you

i'd live my life for You

so crazy about you

just give me a chance and i promise never to lie to you

i'd be the best for u complete any task for u

any wrong doing i swear i'd do the time for you

i could feel your pain thats why it is easy to cry for you

so please never leave me cause i can't breath without

you

chorus

(verse 2-mercedes-singing)

who took care of the situation when you got caught by
the feds

and i was waiting on your every phone call

lying alone in your bed

my people tell me your not worth it

but it's so hard to explain

and just the thought of u on top

makes my nature hot

i dont want no other man

(peaches-rapping)

who kept that night fresh for you

the best for you

who counted all the figures for ya

continued the buisness for ya

who ran away them niggaz for ya

it was me that paid the bail for ya

collected all the mail for ya

who do you trust with your life

who can't wait to be your wife

that is i ms. peaches

the one you loving at night

i'd be the first girl to fight about cha

so please never leave

cause i can't breath without cha

chorus

(bridge-mercedes)

i'm going crazy

without my baby

no one can ever
take your place
with all of the memories that we share
nothing else can compare
so i'm hiding my pride
what i'm feeling inside
i know that i can't hide!

chorus (until fade)
