All niggas aint shit
(where day at where day at where day at)
They talk a lot of shit
(where day at where day at where day at)
And brag on their dicks
(where day at where day at where day at)
But we dont feel shit
(who suck dick? who eat pussy)

Most of you niggas be talkin' shit
Like you dont eat pussy
And you wont pay a visit
Till we reel 'em in, got 'em down
Then they try'an stay there till they almost drown
Hold up now where my ladies at who got their mind
right
Hard workin bitches thats about thier riches
Fuckin dead beat niggas with the same old song
15 minute hard-on we like it long and strong
Get the fuck up off of us
Cuz we can keep it in as long as ya'll can keep it up
Lil dicks still pissin on thier nuts
Make it bad for real thugs who be tearin up their gutz
Mercedes is the name and i served them well
Got the best in the bizness
A platinum B-12
Wanna ride it nigga?
Well you cant afford to buy it nigga
It would cost your whole life savings just to try it nigga
Ya'll aint shit!

ChorusAll niggas aint shit
(where day at where day at where day at)
They talk a lot of shit
(where day at where day at where day at)

And brag on their dicks
(where day at where day at where day at)

(where day at where day at where day at)
Them niggas wanna hallar
(where day at where day at where day at)
But all we want dallas
(where day at where day at where day at)
Can't play a false bitch
(where day at where day at where day at)
Cuz ya'll aint about shit

Wanna call us hoes and sluts and pigeons
Yet your're out there trippin'
Livin on another
Still living with your motha
And beatin your dick
While you looking at my CD cover!
Hold up get up mama mia put it down!

And i got this not your average bitch
My shits on balance,

Ghetto fabulous your highness

If i could only find a nigga that worth it
Cuz they aint shit, now all my ladies sing it loud!
