Mercedes verse 1 singing:

i, i like your style

and i can see the freak in you

we could hook up around 2

so i could whip this thang on you

with me, i'll fulfill all of your fantasies

Silkk The Shocker/(Mercedes) rapping:

shorty you got what i need right

i'ma see if you one of a kind

heard ya all the time went from

(it ain't gonna never stop)

im long and strong, my leg is long

hope the bed is strong cause i'm takin' ya home

makin ya moan

(nigga what what)

A-Lexxus (Mercedes)-Hook:

i, i got what you need (iiiiii) (got what you need)
