(verse one A-Lexxus singing)

See it all happened bout a year ago  
We made a promise not to let it go  
This far  
But it seems i couldnt help myself because of the  
things in the past  
That i felt for you  
Never let you know what's going on  
Cuz i never really lead u on this way  
But now i'm coming to you honestly  
So tell me how u feel for me

(hook performed by mercedes)

Boy you are the only one  
You are the only one for me  
Finest thing i've ever seen  
Stay with me

Boy you are the only one  
You are the only one for me  
Finest thing i've ever seen  
Don't you ever leave

(verse 2 mercedes)

Now that you now i have a thing for you  
I was wondering if you feel the same way that i do  
This feelings that i hold within my heart  
Stay friends for life and i hope you never part  
Out in the open feel for you  
To spill my heart was what i had to do  
Keeping it true and telling you to show you how u make  
me feel

Boy you are the only one  
You are the only one for me  
Finest thing i've ever seen  
Stay with me

Boy you are the only one

You are the only one for me  
Finest thing i've ever seen  
Don't you ever leave
