It's The Remiix! (Envy) Radiio Killer, Def Jam, Young
Dream Dreamer Ooooooo

I'm In The Playboy Club With A Fresh Pair J's On My Feet
(Fresh J's On My Feet)
Dark Blue Denim Rolled Up with a Dulce tee
I Got A Wrist Full Of Diamonds Worth Bout 200 G's
And I'm Just Keepin It Real Ah Huh
All Up In My Grill And I'm Like Girlfriend You Oready
Know Me (Oready Know Me)
I've Been Number 1 On The Charts For Oooooo The Last
6 Weeks!
She Say Ooooo I Know Your Name & Where You From
Shorty I'm From The A
And Then I Put Her Under My Umberella And She Was
Like Eh Eh Eh Eh

We Had Drinks At The Drink And I Drunk And I Got
Fucked Up
And I Was In The Club Acting Like A Mutha Fuckin Fool
She Winked And I Winked Back that's All I Remember
Mann We Really Must Of Got Fucked Up
Last Night!

[Chorus:]
Woke Up With The Bartender She Was Puting Moves On
Me
I'm At The Bar With Her, Shot of Patron had me
knocked out
I'm Like The Carpenter, She Nailed The Boy Down!
See li Woke Up In Her Bed To Her Rubbing On My Dick
You Were Right I Said I'm Ok Ayy
