Me and you  
We're like one and two  
We go together  
Like navy blue  
If I had to choose  
I'd do it again  
'Cause you own my heart  
I ma love you to the end

I ma stand right by you (You) (You)  
Until my eyes see a million moons  
It seems like I got with you way back when  
And we've been on  
Ever since (eh)

Ever since (eh, eh)  
Ever since (eh, eh)  
Ever since (eh, eh)  
Boy you know you got my love, love  
Boy you know you got my love, love  
Boy you know you got love, love, love, love, love, love

You're everything I do  
Since I put you on my team, we'd never lose  
I'm in love with the simple things of you  
This feels unreal, glad know it's true, boy  
I miss your kisses  
I miss your touchin'  
I miss your lovin'  
Right now (Now)  
And I got you with me  
I'd take you with me  
No matter where I go (Ohhh, ohh, oh)

Stand right by you (You)  
Until my eyes see a million moons (Moons)  
It seems like I got with you way back when  
And we've been on  
Ever since (eh)

Ever since (eh, eh)

Ever since (eh, eh)  
Ever since (eh, eh)  
Boy you know you got my love, love  
Boy you know you got my love, love  
Boy you know you got love, love, love, love, love, love  
Boy you know you got my love, love

Boy you know you got my love, love  
Boy you know you got love, love, love, love, love, love

Now, I'd like to thank the Artist for painting you in my  
picture  
Thanks for the beautiful smile, the beautiful frame  
Engraved with both of our names (Ooh Ooh Ooh)
