"Fancy"

Visit "[Fancy](#)" on MotoLyrics.com

(First Verse)

Through the sheets, she climbs her way up to this bed
singing melodies

Run my fingers in her hair and say come to me

First there is a no, then she says yes baby

She's the Dream of a billion men

Go girl ayyyyyyy hiiiiiii iii

Go girl ayyyyyyy hiiiiiii iiiii

(Chorus)

See she made her way from nothing

Can't fault her for wanting something

She loves men that can afford (yea)

She wants to, live fancy

Trips to Monaco, designer names from head to toe
(they're fancy)

On planes that fly clear across the roaming skies

Brilliant cars, Spend evenings among the stars (live
fancy)

Diamond rings ooh ooh ooh o

All those things live fancy (4x)

(Second Verse)

She spends her time

Aboard yachts if not, somewhere tasting wine

In Paris seducing me while we dine

She's only 23, but ahead of her time

She's the Dream of a billion men

Go Girl

(Chorus)

See she made her way from nothing

Can't fault her for wanting something

She loves men that can afford (yea)

She wants to, live fancy

Trips to Monaco, designer names from head to toe
(they're fancy)

On planes that fly clean across the roaming skies (live
fancy)

Brilliant cars, Spend evenings among the stars (live
fancy)

Diamond rings ooh ooh ooh o
All those things live fancy (4x)

(Third Verse)

Cause of me all she do, is walk around in Italian shoes
She's probably a girl you used to know
I can see her beauty with both eyes closed
But you didn't notice she fell in love with what she
noticed
That I'm fancy

(Chorus)

Trips to Monaco, designer names from head to toe (I'm
fancy)
On planes that fly clean across the roaming skies (I'm
fancy)
Brilliant cars, Spend evenings among the stars (I'm
fancy)
Diamond rings ooh ooh ooh o
All those things (I live fancy) (8x)

(Bridge)

You can be from the hood, but I know you wanna live
(fancy)
East Side, West Side, South Side, but you wanna live
(fancy)
She's wit me, cuz she wanna to live (fancy)
I'm with her, cuz she's B.e.a.u.t.i.f.u.l.
(And you know I can't deny her)
And deserving
She's deserving

She all on me cuz all I do is ride around the Bentleys
coups
Got no need she got me buying her them Fendi shoes
All we do is shop until we drop right there in the floor
All we do is make love foreign places til we can't no
more

They say you can't buy love, man they lying
Is Christian LaCroix brings a smile, I'll buy it
If she wanna make love on the edge of the world, I'll
buy it
Have anything she want cause she my girl, say it
shawty got it

We flier than flyin in g5 jets
Or First class, coach class no disrespect
My New York apartment JFK
In the helicopter just the pilots goin my way

I'm worldly swerving in Bentley whips
Don't even have to watch how I spend my chips
Dollars to Euros, I'm every niggas hero
Cause even when I used to rock polo I was (fancy)
