[Intro:]

Who you know put them grits with them eggs
With the bacon on the side (ohh, ohh)
Who you know wash your clothes
And put ehm back in the dresser like I (ohh, ohh)
And who you know got your back like I do
And who you know put it on ya like I do,
Who you know get up early in the morning
Just to make sure you on time, for your flight

[Hook:]

Now your saying that you wanna leave me
After all the things we went through
Just remember one thing
While your leaving
They don't make ehm like me (cause you know)

[Chorus:]

But a girl like me is hard to find
Hard to find, hard to find (yeah)
But a girl like me is hard to find
Hard to find, hard to find
So go ahead & waste your time
With them other girls
Just know that they got nothing on me
But a girl like me is hard to find
Hard to find, hard to find

[Verse 2:]

Who you know get the wrinkles
Out cha button up shirt like me (ohh, ohh)
And who know clean your house after
Monday night football like me [x4]
Who you know gon love you more than I do
(Ohh, ohh)
Who you know protect you like I do
Who you know stay with you
Through thick & thin you were
My homie, my lover
You were my bestfriend

[Hook:]

Now your saying that you wanna leave me
After all the things we went through
Just remember one thing while your leaving
They don't make ehm like me (cause you know)

[Chorus:]

But a girl like me is hard to find
Hard to find [x2] yeah
But a girl like me is hard to find
Hard to find [x2]
So go ahead and waste your time
With them other girls
Just know they got nothing on me
But a girl like me is hard to find
Hard to find [x2]
