Love it babe [x12 in groups of 3]

[Verse 1:]

Baby you don't know
What you done to me
Between me and you I feel a chemistry.
I won't let no one come and take your place
Cause the love you give it can't be replaced.
See No one else loves me like you do
That's why I don't mind to
Spend my life with you
I Wanna please you in any way I can
I Wanna share my world and don't you understand.

[Chorus:]

Your love is a one in a million
It goes on and on and on
You give me a really good feelin' all day long
Your love is one in a million
It goes on and on and on
You give me a really good feelin' all day long

[Verse 2:]

Turn me inside out,
Make my heart speak
Need no one else you're all I need
Personality(ty), and everything you do(do)
Makes me love everything 'bout you.
Your smile,
Your style, so fly, I can't crush on you and that is true
indeed
Now I'm diggin' you, you makin me believe.

[Chorus]

[Bridge: x2]

I'll give you anything you want from me
Anything you want,
Anything you need,
Anything your soul desires.

[Chorus x2]

Love it babe [until fade]
