Amazing
I'm Amazing [x8]

I became a monster and a killa next LP better then
thriller
So call me Michael or call me Prince call me an asshole
cause I'm the shit
Call me hutch nigga I'm sick get paid for runnin my
mouth nigga call me a
Snitch
Just face it, it's no replacement I'm just simply
marvelous and amazing

And no matter what you can't take that from me
My range is as far as god eyes can seen
I'm amazing

Shorty you the shit I said I want shit damn when they
wrong
Now they in the hood and it's all good bumpin my song,
yeah
What I want average niggas can't see it
That's why when I do ya'll niggas can't believe it
It's up to me you won't see it till I see it
And that means you won't see it till I see it
And I'm a do it so good your gunna need it
So great don't hate it must be Jesus

It must be Allah
It must be Gondi
Snuffed on the Grammy what else you want from me
man

No matter what you can't take this from me
My rage is as far as god eyes can see
I'm amazing [x8]

Say she all this say she all that
What I do know
I'm just on the grind
Trynna get mine

All on my own
Am I the most hated in the world
And would that change if I was your girl
Don't have to do it cause I'm already rich
Do cause I want a man I love this shit
Try to keep my smile worth wild
But men turn it upside down
Radio killa yep that's were I'm at
And we did it all with the world on our back

And no matter what you can't take that from me
My range is as far as god eyes can see
I'm amazing [x9]
