Ehh eh eh eh eh eh eh eh.
Ehh eh eh eh eh eh eh eh.

My mumma told me that this could happen to me.
That she would grow to be this beautiful woman but I
just couldn't see.

But I had my blinders on I was in my zone and I hadn't
thought of us in my head somehow it turned us off.

And then I met her but she wasn't like you and I
dropped my head thinkin what did I do, oh man

I love you, girl you love me. but I just couldn't see,
tomorrow. baby and I can't fall you and I didn't see us
through, now I know in my heart you will always be, the
greatest ex ever.

Now I can't do a simple thing like fall asleep, cause I
can't close my eyes without a day without you in my
dreams.
Sometimes I just call your phone, just to hear your tone
and I never say nothin' just a couple seconds to hear
you breathin' then I'm gone.

And shes not like you, can't help but to hold my head
thinkin what did I do... ohh.

I loved you, girl you loved me. but I just couldn't see,
tomorrow. baby and I can't fall you and I didn't see us
through, now I know in my heart you will always be, the
greatest ex ever.
