I jump up out my bed grab my clothes
And I throw on my coat out the door
And I'm, today I'm gonna get over you, you, you, you
Yeah, and I hop in the car
Push the button on the automatic start
Right on the seat I see a scarf I gave to you
Oh, memories start comin back
No room for reverse I can't back back
I'm sittin in the car but I can't back back
So, I'm slumped over the wheel of the car
And all I can think of is a broken heart
And all I can think of is why we're apart

We went round for round
Til we knocked love out
We were laying in the ring not making a sound
And if that's a metaphor of you and I
Why is it so hard to say goodbye

I can't wait to hate you
All the things you put me through
I wanna move on
I can't wait to hate you
All the days you left my heart all alone
I can't wait to hate you
This is all crazy
And I can't come to grips with the fact that you're gone
I can't wait to hate you
Ooooo Oh

Jump up out my bed grab my clothes
And I throw on my coat out the door
And I'm, today I'm gonna get over you, you, you, you
Press the button on the automatic start
Right on the seat I see a scarf I gave to you
All memories start comin back
No room for reverse I can't back back
I'm sittin in the car but I can't back back
So, I'm slumped over the wheel of the car
And all I can think of is a broken heart
And all I can think of is why we're apart

Why is it so hard to say goodbye

I can't wait to hate you
All the things you put me through
I wanna move on
I can't wait to hate you
All the days you left my heart all alone
I can
T wait to hate you
This is all crazy and I can't come to grips with the fact
that you're gone
I can't wait to hate you
Ooooo Oh...
