### "F.I.L.A"

#### *[Verse 1]*

You da shit I couldn't leave you alone  
Lil mama I just wanna give whatchu want  
Girl you need somebody, up in your life  
That can hold you all through the mothafuckin night  
After the sex  
After the show  
I'll be the one that loves you the most  
Be my baby  
I'll never make you cry  
And I promise I'll love you long time  
Come on

#### *[Hook]*

You should see shawty from the back (Ay)  
Ain't never seen a girl like that (Ay)  
She said she had a man but I had to pursue her  
He ain't never there, so she let me do her  
Now I'm all up on her like (Oh, Oh)  
Now she all up on me like (Oh, Oh)  
Then she took my hand, and after that she said  
I just wanna fall in luck again, make me fall in love  
again

#### *[Chorus]*

Aha, aha, oh yeaah  
Can you make me fall in love again?  
Aha, aha, aha oh yeaah  
Imma make you fall in love a-  
Girl you got me drop a stacks on your car  
Tonight's on ya  
Imma make you fall in love again  
Girl you got me drop a stacks on your car  
Tonight's on ya  
Imma make you fall in love again

#### *[Verse 2]*

Now let me take ya  
Off of his hands  
And I'll make sure you'll always be in demand

I'll buy the house  
I'll buy the furniture  
He just playin with it, but I ain't frontin ya  
Whenever you want, I'll be there  
Imma make you my baby  
No more drinks and love (love)  
Love in the club (club)  
You will be the only thing I'm thinkin' of
