"Florida University"

[Verse 1]

Used to Love ya (shawty),
You used to love me (shawty),
and then you left (shawty),
quit thinkin of me (shawty),
You want me back (shawty)
I can't do that (shawty),
Get some Patron (shawty),
This night gon' be long (shawty),
I picked you up,
never put you down,
we were good together,
we looked so hood together,
and now you hate me,
lately,
what rhyme wit ass hole,
ASS HOLE!

I was the realest thing you've ever known,
I couldn't wait to say I told you so.
So forget you ever heard of me,
this is short for Florida University,

[Chorus]

[Verse 2]

Acting crazy, you all crunk
Still got them pictures you sent me when you were
drunk,
Its heart break, I know but calm down.
An why you still cursing me out on your Twitter
account?
And why you trippin fo'?
don't you got a man?
You a little off, I hope he understands
"I'm sorry we can work it out"
