I, jump up out my bed
Grab my clothes then I
Threw on my coat
Out the door and um
Today I'm gonna get over you
(you, you, you)
Yeaa, Then I hop in the car
Push the button on the automatic star
Right on the seat I see a scarf I gave to you

Ohh, Memories start coming back
No room for reverse
I can't back back
I'm sitting in the car
But I can't back back

And so I'm slumped over the wheel of the car
And all I can think of is a broken heart
And all I can think of is why we're apart

We went
Round for round
Til' we knocked love out
We were laying in the ring
Not making a sound
And if that's a metaphor of you and I
Why is it so hard to say goodbye

I can't wait to hate you
All the
things you
put me through
I wanna move on

I can't wait to hate you
All the
Days you
Left my heart
All alone
I can't wait to hate you

This is all crazy
And I can't come to grips
With the fact
That you're gone

I can't wait to hate you
Ohh Oh Ohhhh

I, jump up out my bed
Grab my clothes then I
Threw on my coat
Out the door and um
Today I'm gonna get over you
