## "Hater"

*[Talking]*

If a was your man, I  
Hit that shit like A-Rod  
Don't you understand I, I  
Trying to be ur favorite artist in ur ipod  
I know this wasn't planned I  
What I got is love  
What he got nothing  
Take this chance  
He ain't nuthin' to lose  
So why you lookin all confused

*[CHORUS]*

Girls like you  
Turn men like me into haters  
And I must admit it  
Been actin like a hater  
Tryin to get it  
You got me lookin like a hater  
Soon as she said she had a man  
I was a hater  
As long as I get you  
I'll be a hater  
Until you say you love me too  
I'll be a hater  
He don't even know  
I'm his hater  
How did one look at you overtake the kind heart in me

Say you'll leave your man so I  
Can hit that shit like a parked car  
Money aint a thang I  
get it all with a swipe of the black card  
Pretty woman get up in this Bentley now  
You be my Julia I'll be ur Richard  
Can't wait to pin ur frame on my wall  
I need u in my picture  
Do anything to get u

*[CHORUS]*

*[Talking]*

Fuck that nigga  
You know what it is  
Dope Bentley coupes Gucci boots  
Cris craft yachts boats  
100,000 thousand dollars here  
100,000 thousand dollars there  
20 million dollars later  
Yep Dream everywhere  
Fuck that nigga  
Leave that nigga  
First class let's play  
Doing deals on foreign islands  
Me, Diddy, LA, Jay  
I wanted what he already had  
This girl so muthfuckin bad  
I wanted what he already had  
This girl so muthfuckin bad

*[CHORUS]*
