Give it your all girl, give it all ya got
You can take a chance and take your best shot
Say what you want girl, do whatcha do
He's never gonna, gonna make it with you

Your pullin' petals of a flower tryin' to getcha way
Keep pullin' 'til it says what you wanna say
Girl you can pick a field full of daisies
But he'd still be my baby

And I know you can hardly wait 'til I'm away from him
He instinctively, I know what your thinkin'
You'll be givin' him an open invitation
But my baby won't be taken in

You can pout your cherry lips
Try to tempt him with a sweet kiss
(Sweet kiss)
You can bat your pretty eyes
He ain't got his hands tied

No chains to unlock
So free to do what he wants
He's into what he's got
He loves me, he loves you not

No matter what you do
He's never gonna be with you
He's into what he's got
He loves me, he loves you not

You're the kinda girl that's always up for do or dare
Only want him just because he's there
Always lookin' for a new ride
The grass is greener on the other side

You're the kinda girl who's not used to hearin' no
(No)
All your lovers try to take you where you wanna go
(Go)
Doesn't matter how hard you try
Your never gonna get with my guy

No chains to unlock
So free to do what he wants
(What he wants)
He's into what he's got
(And that's me)
He loves me, he loves you not

No matter what you do
He's never gonna be with you
(With you)
He's into what he's got
He loves me, he loves you not

Doesn't matter what you do
He's never gonna be with you

Give it your all girl, give it all ya got
You can take a chance and take your best shot
Say what you want girl, do whatcha do
He's never gonna make it with you

You can pout your cherry lips
Try to tempt him with a sweet kiss
(Sweet kiss)
You can bat your pretty eyes
(Pretty eyes)
He ain't got his hands tied

No chains to unlock
So free to do what he wants
He's into what he's got
He loves me, he loves you not

No matter what you do
He's never gonna be with you
He's into what he's got
(Take your best shot)
He loves me, he loves you not

No chains to unlock
So free to do what he wants
(What he wants)
He's into what he's got
(And that's me)
He loves me, he loves you not

No matter what you do, he's never gonna be with you
(He's my guy)
He's into what he's got
(And that's me)

He loves me, he loves you not
(Loves you not)
