The American Dream

And you know what I mean

Radio Killa,
Should beat the track up like gorillas

[Verse 1]

Yeah,
We be up in a club. I see her do her thang
You might wanna rap, but she'll make you sing.
See, I was on her and she was on him.
She all up on my thang, got my thang on her hip.
She ATL pop, and don't know how to act.
She left for one song, then came right back.
Grindin' on me the rest of the night,
Her man start muggin', he could see it in my eye.

[Chorus]

Lil mama so hood (I love your girl)
Lil mama so fly (I love your girl)
Wife beater with the denim (I love your girl)
She keep them heels on high (I love your girl)
Man, look at shorty roll (I love your girl)
Man, look at shorty go (I love your girl)
I'm sorry I've got it in for your girlfriend.

Now, she runnin' fingers through her hair,
He tryin to call her over there,
But she like, "Fuck that nigga!".
She droppin' down to the floor,
I'm like "Shorty you should go",
But she like, "Fuck that nigga!".
Call it envy,
I want her on me.
All up in my head,
Now she in my bed.

[Verse 2]

Me and lil shorty in the back,
Talkin' 'bout dis, talkin' 'bout dat.
I got her on the 'trone, she actin' all bad.

Girl chose me, don't be mad.
Kelly told y'all "Don't bring 'em in the club"
The way she rock that, got the boy in love.
And I pray that y'all ain't serious
'Cause seriously she's on my dick.

[Chorus]

And, Lil mama so hood (I love your girl)
Lil mama so fly (I love your girl)
Wife beater with the denim (I love your girl)
She keep them heels on high (I love your girl)
Man, look at shorty roll (I love your girl)
Man, look at shorty go (I love your girl)
I'm sorry I've got it in for your girlfriend

Now, she runnin' fingers through her hair,
He tryin to call her over there,
But she like, "Fuck that nigga!".
She droppin' down to the floor,
I'm like "Shorty you should go",
But she like, "Fuck that nigga!".
Call it envy,
I want her on me.
All up in my head,
Now she in my bed.

[Bridge]

(I'm The American Dream)

Usually you won't see me hate... On another dude.
My heart got me up in here willing to separate you...
From your boo.
But, she on me and I'm on her.
We walking out the club. Shorty what's up?
Mmm, I want her in the worst way
Plus, I just found out that it's her birthday.

[Chorus]

Lil mama so hood (I love your girl)
Lil mama so fly (I love your girl)
Wife beater with the denim (I love your girl)
She keep them heels on high (I love your girl)
Man, look at shorty roll (I love your girl)
Man, look at shorty go (I love your girl)
I'm sorry I've got it in for your girlfriend.

Now, she runnin' fingers through her hair,
He tryin to call her over there,
But she like, "Fuck that nigga!".
She droppin' down to the floor,
I'm like "Shorty you should go",

But she like, "Fuck that nigga!".
Call it envy,
I want her on me.
All up in my head,
Now she in my bed.

[Outro]
Part of me feels so bad, but
Ooo, not that bad.
Situation's got you mad,
I would be too,
'Cause damn she bad!
Damn she bad...
