Ermmm this is all i know atm..

Allow me to reintroduce myself
got a surprise for ya'll (woo woo)
its the american dream (woo woo)
im with my big homie gals

shawty listen (listen).. its the remix (remix)..
no other thing.. no boyfriend
yeah (yeah)
and we all up in the club like eh eh
and we all up in the club like eh eh
tell secutiry to roll the ropes back.. let the chicks in.. we
in the VIP poppin' bottles
and im off that patron grinding and carrying on with
ugly girls (i'm so drop) that look like super models
however im in the fielding and ?
so many hunnys in the fielding..
