I'm not scared lions, tigers, and bears.

but i'm scared of-

i'm not scared to wake up one day with no air.

but i'm scared of-

Love's like war, you may never come back.

If i'm a soldier, love is Iraq.

Why do we love love, when all it does is hate us? oh  
yeaaa

I've faced it all, failed at it twice.  
I've had my faults, still I've survived.  
I read the press, and the words that they say.  
But our love is sacred, only you'll see me this way.  
Got past the hurt, grew past my tears.  
and Ive missed my mother, but i stood there no fear.  
I've been through it all, I challenged my life.  
I fought through the bad days, stood up to the nights.  
Nothing in this universe can make me fall, there's  
something about love just conquers us all.

Looooooooovvvveeeeeee

I'm not scared of lions, and tigers, and bears. But i'm  
scared of loving you.

i'm not scared to wake up one day with no air. but i'm  
scared of loving you.

Love's like war, you may never come back.

And ff i'm a soldier, love is Iraq.

Why do we love love, if love only hates us? ohho  
ohhyaa
