This is an interpretation of what a mother tells her son
Her only one
Sometimes, this road will bear no signs of direction,
direction
So rely on your heart to lead the way, lead the way,
lead
And sometimes you will need to take correction,
correction
Don't you dare let your humble mind sway
See, some days will be brighter than a baby's name
And others will be grayer than the hairs on your
daddy's face
And when those gray days start to come
Just take it in and just say, ooo, ooo, ooo

And know that the sun's coming tomorrow, oh yeah
Ooo, ooo ooo, you know that it will be okay, yeah
Ooo ooo ooo
And know that the sun's coming tomorrow, oh yeah
Ooo ooo ooo
You know that you will be okay
Don't wonder, oh, don't wonder, oh
Don't wonder, oh, don't wonder, oh

I'll let you know, I wanna let you know, mother oh
I wanna let you know how I've been thinkin' 'bout you
How I've been thinkin' of you
Always thinkin' of you
I wanna let you know how I've been thinkin' of you
Always thinkin' of you
I'm always thinkin' of you
It was you that broke me through
You were everything I ever knew
If I could bring you back
I'd do it in a split second, no if, ands or buts

How I've been thinkin' 'bout you
How I've been thinkin' of you
If I could bring you back
How I've been thinkin' 'bout you
How I've been thinkin' of you
Ooo ooo ooo, oh yeah

Ooo ooo ooo
Ooo ooo ooo oh yeah
Ooo ooo ooo
