I miss you like crazy  
Tell me when you're comin' back home  
I miss you like crazy  
Tell me when you're comin' back home

Since you've been away  
Things ain't been the same  
I miss you more and more each day

Something 'bout your love  
I just can't get enough  
(Just can't get enough)  
I wish it wouldn't hurt so much

You don't know what you done to me  
I can't sleep at night, baby  
Wishin' you were here with me

There's something 'bout the love you give  
No one else could give it to me  
I miss you like crazy

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin' back home

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin' back home

No matter what I do  
I can't stop thinkin' of you  
You're always on my mind

My heart is not a home  
Since you've been gone  
(Since you've been gone)  
I wish you would come back to me

You don't know what you done to me  
I can't sleep at night baby  
Wishin' you were here with me

There's something 'bout the love you give  
No one else could give it to me  
I miss you like crazy

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin' back home  
(I wanna know, I wanna know, I wanna know)

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin' back home  
(When you're comin' back home)

Now I realized how much you meant to me  
You are my everything  
I miss you baby

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin' back home  
(Home)

I miss you like crazy  
(Yes, I do)  
I miss you being my baby  
Tell me when you're comin' back home

I miss you like crazy  
(I miss loving you)  
I miss you being my baby  
(I miss hugging you)  
Tell me when you're comin' back home  
(There's no one quite like you, baby)

I miss you like crazy  
(Yes, I do)  
I miss you being my baby  
Tell me when you're comin' back home  
(When are you comin' home?)

I miss you like crazy  
(I miss you baby)  
I miss you being my baby  
(Yes, I do)  
Tell me when you're comin' back home

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin' back home

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin' back home
