Love it babe(repeat 12 times in groups of 3)

(1st verse)

Baby you don't know
What you done to me
between me and you I feel a chemistry.
i won't let no one come and take your place
Cause the love you give it can't be replaced.

That's why I don't mind to
Spend my life with you
I Wanna please you in any way I can
I Wanna share my world and don't you understand.
