Says it will love you to pieces  
Your love's so hard that it breaks  
Your love will be for all pieces  
You're loving the pieces  
Your love's so hard that it hurts  
But is worth

Parts of me with you, babe  
Love will make you feel away  
Parts of me with you to love  
Never see your face again  
What you love  
..all to her  
..what you know  
Yeah, yeah

Chorus:  
..the kisses, all of the yeah, yeah  
..you just be to pieces  
Loving you to pieces  
When your love is so hard that it breaks  
When your love is so hard you can take  
Just loving you to pieces  
I keep loving you to pieces  
Your love is gone that hurts  
You deserve

Parts of me with you, babe  
Love will make you feel away  
Parts of me with you to love  
Never see your face again  
What you love  
..all to her  
..what you know  
Yeah, yeah,

Chorus:  
..the kisses, all of the yeah, yeah  
..you just be to pieces  
Loving you to pieces  
When your love is so hard that it breaks  
When your love is so hard you can take

â€¦just loving you to pieces  
I keep loving you to pieces  
Your love is gone that hurts  
You deserve
