Like, naw
That's my girl, right
This ain't my girl
That's my ni**a
That's my ni**a right there
That's my ni**a right there
That's my ni**a right there

Before the sex pop off, she rub my back, rub my back
Shawty, rub my back
She never gone for long, she be right back, be right back
Shawty, be right back
And she keep a bag full of goodies
Her love's baked up like Pillsbury cookies
It ain't about the Benz or the money
She's my bee, I'm her honey
Man, that's my homey
And she got me playin' in her hair

And I fell like an out work boxer in the very first round
Got me playin' in her hair
Tried to keep my guard up, but she caught me
Now I'm goin' down
Got me playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Got me playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair

See, I love this girl
She's all I need
And right now anything she wants
She can get it from me
And she do her thing when I come around
And even when I'm not, not up in the spot
Shawty hold me down, down, down

Before the sex pop off, she rub my back, rub my back

Shawty, rub my back
She never gone for long, she be right back, be right
back
Shawty, be right back
And she keep a bag full of goodies
Her love's baked up like Pillsbury cookies
It ain't about the Benz or the money
She's my bee, I'm her honey
Man, that's my homey
And she got me playin' in her hair

And I fell like an out work boxer in the very first round
Got me playin' in her hair
Tried to keep my guard up, but she caught me
Now I'm goin' down
Got me playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Got me playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair
Playin' in her hair, hair, hair

All my girls in the club, club
G'on put your hands up
Let me get a A-a-a-a
And if you sippin' on Patron, frames on your face
Get your hands up
Let me get a A-a-a-a
Let me get a A-a-a-a
Let me get a A-a-a-a
Let me get a A-a-a-a
A-T-L-A-N-T-A-G-A, that where I stay
Let me get a A-a-a-a
Let me get a A-a-a-a
Let me get a A-a-a-a
A-T-L-A-N-T-A-G-A is where I stay
