[Intro: female]

Come here

So, which one of these do you like

This lip petal by Bobbi Brown and

Hold on

This is Veneer by M-A-C

Which one do you like best?

[Male:]

You know, you look good when your makeup aint on
you right

But, when you put on that lipstick

Shawty

You leave it everywhere

That's what I'm talking bout

(Bridge)

[Verse 1:]

Put on that baby tee baby tee, baby please oh no

I'm gonna break you off tonight

Girl you be lancing me, lancing me with that ooh no

Baby, leave them lip prints on me tonight

Lay on your back and let your eyes find a star

You be my Venus, love is Jupiter, I'm your mars

We gonna turn this bedroom into the sun

We taking flight

Oh baby

(Bridge)

Got your hair did

I'm about to mess that shit up

My gun on fire, it's about to stick up

Mm getting hit up tonight, yeah

Hold me hold me hold me

[Hook:]

I love it when you put them pretty lips on me

Purple kisses purple kisses

She kiss me from my head down to my feet

Purple kisses purple kisses

She got that M-A-C on her lips when she doing it to me

Purple kisses purple kisses
When she ready to go, I never let her leave
Purple kisses purple kisses I love the way she kisses on
me on me on me on me
The way she kisses on me on me on me on me shawty
she kiss on me on me on me
You should see how she kiss on me

(Bridge)

[Verse 2:]

You got my ex shawty hating on my oh no
Cause you do it just how I like
And everywhere I go, them niggas wanna fight the boy
Cause she on it like a kid on a bike
Uh oh oh oh oh
Shawty so tight uh oh oh oh oh
Shawty kept them lips looking right for me
That M-A-C on for me
That lip gloss foe me

[Hook:]

I love it when you put them pretty lips on me
Purple kisses purple kisses
She kiss me from my head down to my feet
Purple kisses purple kisses
She got that M-A-C on her lips when she doing it to me
Purple kisses purple kisses
When she ready to go, I never let her leave
Purple kisses purple kisses I love the way she kisses on
me on me on me on me
The way she kisses on me on me on me on me shawty
she kiss on me on me on me
You should see how she kiss on me

[Verse 3:]

Now there goes my doorbell
And I'm happy she's here
But I gotta wait a minute
And there's a number two
And even though shawty the shit
I can't let her know she's winning
I'm racing down the stairs
I open the door she's right there
And she's like "how you like my hair? "
I'm like "that bob looks fly but them lips, oh my"
Can't wait til you plant that kiss on me, on me, on me,
on me,
Kiss on me, on me, on me, on me
