Rainman. Rainman call me call me rainman  
There's no need for me to lay out my clothes  
When she's not around there's nowhere to go  
I make no attempts to get up out of this bed  
Wanna open my eyes but I just close the curtains  
instead  
Her thunderstorms shuts my lights off ooooh  
I got no missed calls ohh maybe by tomorrow  
Right now I just can't catch a break  
Everyday it rains...  
When she ain't leanin right?, I just feel the coolness in  
the air  
I know my chances ain't fair  
Everyday it rains  
Water reaches my windowsill  
Sound reaches my ear  
Gone then it reappears  
Everyday it rains  
My mind starts drowning  
My visions gets clouded  
The flood moves around me  
Everyday it rains  
No sun or the light as the time goes by  
40 days & 40 nights  
There's no need for me to lay out my clothes  
When she's not around there's no where to go  
I make no attempt to get out of this bed  
Wanna open my eyes but I just close the curtains  
instead  
Her thunderstorms shuts my lights off ooooh  
I got no missed calls ohh maybe by tomorrow  
Right now I just can't catch a break  
Everyday it rains  
When she ain't leanin right? I just feel the coolness in  
the air  
I know my chances ain't fair  
Everyday it rains  
Water reaches my windowsill  
Sound reaches my ear  
Gone then it reappears  
Everyday it rains

My mind starts drowning  
My visions gets clouded  
The flood moves around me  
Everyday it rains  
No sun or the light as the time goes by  
40 days & 40 nights
