"Rockin' That Shit (Remix)"

(feat. Fabolous, Juelz Santana, Rick Ross, Ludacris)

[The-Dream]

Girl I'm in love with you baby.
And I want you to know.
That I'm hooked on your body.
And I'm trying to be your's..

[DJ Khaled]

Radio killa..

[Ludacris]

Now she the definition of fine
But I told her that her body looks better with mine [x2]

[Fabolous]

I like the way she rock, her hips
Them rockin hips
Told her we can take off like rocket ships
Straight jacket jeans, you look crazy in 'em
The way you rockin that, I thought they was Jay-Z denim
Let me drop a jewel on ya, put a roc in air
Can I call you nana cos you got that rockin' chair
It go back, and forth - then forth and back
When I'm on Patron, or off the yak
Can't get off the fact I'm off my Mac
Goldie probably wouldn't, but I would trick off a that
And I'm sick with the money, I can cough a stack
I can sneeze some g's so baby let's roll..

[Background]

She rockin' that shit like
The way you rockin' that up in this club.
I swear you gon' make a nigga fall in love
She rockin' that shit like
The way you rockin' that up in this club
There's nothing I can say
She rockin' that shit like
The way you rockin' that up in this club
I swear you gon' make a nigga fall in love
She rockin' that shit like

The way you rockin' that up in this club
There's nothing I can say
She rockin' that shit like.

[Juelz Santana]

Whoa, whoa
Look how shawty roll, roll
She rockin' that shit
I'm like look at shawty go, go
She rockin' to the beat, she rockin' it for me
And all I can think about is rockin' it to sleep
Her face is like a model
Body shape just like a bottle
Girl I wanna hit that more than I wanna hit the lotto
She revvin' me up, I got my hand all on my throttle
I wanna get on top of her, zoom on the Yamaha
So you can call it switchin' gears
Zoom in inside of her
And if it taste how it look I'ma try to swallow her
Call me Mr. Shoe-shine, baby I'ma polish ya
And I leave ya spit clean, I don't use no polisher
Demolition man, tell your friends I demolish ya
Plus I'm that nigga, baby I could make you popular
So get another shot of that Ciroc in ya
Cos I'm gon' be rockin' ya
Treat you like the first lady
I'll put my Barack in ya..

[Rick Ross]

Fresh lack President, one
Air force ones in my Air Force One (Obama)
Is it all a dream? (No) Sorry, my reality
See me rocking that shit is complementing my salary
Complementary balance, told 'em what we tally
Spinning like it's ballet and I touched the budget ballot
(Boss)

See the girl, and holla (Eyyy)
Told me that she from the (A)
So you know I had to (eyyy) classify my case..

[Ludacris]

Now let me take you to a place far beyond
In a whole 'nother galaxy
Travel in your mind, explore your sexuality
Melt your imagination and mold it into reality
Your heart's my art gallery, girl
Can you feel the pictures that I painted
Cos all of them are related, like a mother to a son
But none of them overrated
There no others, you the one
Our destiny is to make it
Gotta thank you just for sharing your world
Its so real, an inspiration for no reason
But thinking that I'm incapable of taking on the duty of
making you interchangeable
The thought is sensational, its perfect bliss
I'm ready to take the milky way to your Hershey's kiss
You know my tongue's got batteries in it
The bedroom, we lose calories in it and start families in
it
And don't worry cos the situation's under control
So let me dive in your heart and swim around in your
soul (Luda)..

[The-Dream]

Take me I'm yours, shawty
As we rock to the left, rock to the right
Lend me your body and we'll rock it all night
Don't leave us on this floor, shawty
The door's to the left, I parked on the right
Tell the niggas holla back, tell your girls goodnight..

The way you rockin' that up in this club.
I swear you gon' make a nigga fall in love
The way you rockin' that up in this club
I swear you gon' make a nigga fall in love, love..
