When I tell you that I love you  
You always need proof  
But a good dude shouldn't have to  
We got nothing to loose  
Girl were to young to be worried about who to trust  
You could be the one  
We'll never know if your afraid to mess up

Slow down  
Swear it's all in your head  
Slow down  
I ain't goin nowhere  
See the thing about love is we think about it to much  
Slow down  
(take it slow, take it slow)  
Slow down  
(take it slow, take it slow)  
Slow down

I hear your girlfriends  
They be talking  
Like they judge less of you  
We got a good thing  
Can you blame them  
Cause I would be to  
Girl were to young to be worried about who to trust  
You could be the one  
We'll never know if your afraid to mess up

Slow down  
Swear it's all in your head  
Slow down  
I ain't goin nowhere  
See the thing about love is we think about it to much  
Slow down  
(take it slow, take it slow)  
Slow down  
(take it slow, take it slow)  
Slow down

I don't really wanna rush this love  
Don't plan on letting it go

To good to ever wanna give up  
I just wanna let you know  
Take it slow baby let it go [x3]

Slow down  
Swear it's all in your head  
Slow down  
I ain't goin nowhere  
See the thing about love is we think about it to much  
Slow down  
(take it slow, take it slow)  
Slow down  
(take it slow, take it slow)  
Slow down
