### "Sorry"

#### *[Intro]*

I know, I know it's too late for sorry  
I know, I know it's too late for sorry  
I know, I know it's too late for sorry  
Girl I know, I know it's too late for sorry

#### *[Verse 1]*

I know, that you will never ever forgive me  
And I know, I will never find no one more special that  
hmmmm  
Stupid, so stupid  
What was I doing  
And if I was you, I would have left my ass too (hmmmm  
hmmmm)

#### *[Chorus]*

I lost my girl  
And no one's standing next too me  
I need the love  
With you is where rather I rather be  
I ain't worth nothing  
Just toss me out into the sea  
If your in love, don't yooh dare sing along with me  
(whhhhooooooooaaaaaa)

#### *[Verse 2]*

I'm going to press rewind  
And fall in love again with (hmmmmm) you  
I wish I never lied  
Shoulda been true (o yessir)

#### *[Chorus]*

I lost my girl  
And no one's standing next too me  
I need the love  
With you is where rather I rather be  
I ain't worth nothing  
Just toss me out into the sea  
If your in love, don't yooh dare sing along with me  
(whhhhooooooooaaaaaa)

*[Verse 3]*

I know, I know it's too late for sorry

I know, I know it's too late for sorry

I know, I know, I know

I know, I know it's too late for sorry

I know, I know it's too late for sorry

*[Fade out]*
